Important Messages

Thank you for your timely payments You have an excellent payment record with us, and we thank you for your prompt payments.

Electric power line safety PG&E cares about your safety. Be aware of your surroundings and keep yourself, tools, equipment and antennas at least 10 feet away from overhead power lines. If you see an electric power line fall to the ground, keep yourself and others away. Call 9-1-1.

Rules and rates

You may be eligible for a lower rate. To learn more about optional rates or view a complete list of rules and rates, visit www.pge.com or call 1-800-743-5000.

If you believe there is an error on your bill, please call 1-800-743-5000 to speak with a representative. If you are not satisfied with our response, contact the California Public Utilities Commission (CPUC), Consumer Affairs Branch, 505 Van Ness Avenue, San Francisco, CA 94102, 1-800-649-7570 or 415-703-2032 (TDD/TTY).

To avoid having service turned off while you wait for a CPUC decision, enclose a deposit check (payable to the CPUC) for the disputed amount and a description of the dispute. The CPUC will only accept deposits for matters that relate directly to billing accuracy. If it is not possible for you to pay your deposit, you must advise the CPUC. PG&E can not turn off your service for nonpayment while it is under review by the CPUC, however, you must continue to pay your current charges to keep your service turned on.

If you are not able to pay your bill, call PG&E to discuss how we can help. You may qualify for reduced rates under PG&E's CARE program or other special programs and agencies may be available to assist you. You may qualify for PG&E's Energy Savings Assistance Program which is an energy efficiency program for income-qualified residential customers.

Important definitions

Rotating outage blocks are subject to change without advance notice due to operational conditions.

Tier 1 / Baseline allowance: Some residential rates are given a Tier 1 / Baseline allowance - a CPUC approved percentage of average customer

Tier *	% of Baseline
1	0% – 100%
2	> 100%

^{*} Doesn't apply to EV & ETOUA/B

usage during summer and winter months. Your Tier 1 / Baseline allowance provides for basic needs at an affordable price and encourages conservation. Your allowance is assigned based on the climate where you live, the season and your heat source. As you use more energy, you pay more for usage.

High Usage: A state-mandated charge for energy consumption that exceeds four times the total Baseline Allowance (Tier 1). This charge does not apply to customers on a Time-of-Use rate.

DWR bond charge: Recovers the cost of bonds issued by the Department of Water Resources (DWR) to purchase power to serve electric customers during the California energy crisis. DWR bond charges are collected on behalf of DWR and do not belong to PG&E.

Power Charge Indifference Adjustment (PCIA): Ensures that non-exempt customers under PG&E's GT and ECR rate schedules or who purchase electricity (generation) from non-PG&E suppliers pay their share of generation costs.

Gas Public Purpose Program (PPP) Surcharge. Used to fund state-mandated gas assistance programs for low-income customers, energy efficiency programs, and public-interest research and development.

Visit www.pge.com/billexplanation for more definitions. To view most recent bill inserts including legal or mandated notices, visit www.pge.com/billinserts.

Additional Messages

About Silicon Valley Clean Energy (SVCE)
Serving 13 Santa Clara County communities,
SVCE is a locally-controlled, public agency
providing residents and businesses with
electricity from renewable and hydroelectric

Understanding SVCE Charges

PG&E continues to provide and bill for electric delivery. SVCE replaces PG&E generation charges. Under PG&E Electric Delivery Charges, note the Generation Credit. This is what PG&E would have charged for power, and now credits back to you. The Power Charge Indifference Adjustment and Franchise Fee are factored into SVCE rates. Learn more: www.SVCleanEnergy.org/billing.

Important Messages (continued from page 1)

Call 811 before you dig. A common cause of pipeline accidents is damage from digging. If you plan on doing any digging, such as planting a tree or installing a fence, please call 811 at least two working days before you dig. One free call will notify underground utilities to mark the location of underground lines, helping you to plan a safe project.
